a time to brief Representative Udall on the [ ] matter. I added  
25X1 that, based on the Congressman's letter, I presumed that the briefing  
would be for him only and asked that if there should be any changes  
in this, would he let me know. [ ] SA/DO [ ] has been  
alerted. Ted Shackley, ADDO, will do the briefing which will be at  
the Secret level.

25X1 10. [ ] BRIEFING Henry Myers, Special  
Consultant on nuclear matters, House Interior and Insular Affairs  
Committee, called and said Roger Lewis, Administrative Assistant  
to Representative Morris K. Udall (D., Ariz.), had alerted him to the  
briefing scheduled for the Congressman on 23 August. He indicated he  
would be interested in sitting in on the briefing since he was  
Representative Udall's staff man on the subject and asked who would  
determine whether he could sit in on the briefing. I told him that  
attendance would be based on a need to know but that the first place  
to start would be with Representative Udall, which he said he would do.  
Anticipating that Representative Udall would request his attendance, I  
got his biographic data to check his clearances.
